

Severe Weather Policy

Inclement Weather Policy

If CCA (Central Christian Academy) has a delayed opening or is cancelled due to inclement weather, our program will also be delayed or cancelled. If you have agreed to receive text messages from Wee Care Early Learning Ministry, you will receive a text regarding any delays or closings as soon as the director/acting director is aware of them. Information about weather related delays or school closings could also be seen on the television news channels: WISH and WTHR (look for Central Christian Academy).
